

A Special Message for OGB Flexible Benefits Plan Participants

September 21, 2006

In response to recent events, the Office of Group Benefits is evaluating the financial viability of its flexible benefits vendor. Two lawsuits have been filed against 1Point Solutions in other states and several OGB employees have reported difficulties in accessing their accounts.

Flexible benefits participants can rest assured that none of their money is in danger. OGB participants are fully protected.

OGB is evaluating all options, including transferring to a new vendor. During this review period, plan participants might experience a delay in obtaining reimbursements and difficulty in using debit cards.

OGB urges flexible benefits plan members to save all receipts for all eligible purchases and hold them until our vendor situation is resolved. Hard copies of the receipts can be faxed at a later date for reimbursement.

OGB deeply regrets the inconvenience this may cause our flexible benefits participants. You can be assured that we are doing everything we can to resolve this situation as quickly as possible.
