OGB clarifies enrollment deadlines

Office of Group Benefits plan members recently received a postcard from an OGB health plan that listed an incorrect deadline for OGB to receive enrollment forms for the 2012 plan year, which begins January 1, 2012.

The deadlines for OGB to receive 2012 enrollment forms are:

Annual Enrollment – OGB (or the agency where you work or from which you retired) must receive your enrollment form by **November 4**.

Medicare Advantage Enrollment – If you (and your covered spouse, if applicable) have Medicare Parts A and B and you are transferring to or from an OGB Medicare Advantage health plan, OGB (or the agency where you work or from which you retired) must receive your enrollment form by **December 2**.

As always, if you decide to remain enrolled in your current OGB health plan, you do not need to submit an enrollment form.

If you have questions, visit the nearest OGB Customer Service office or call OGB Customer Service at 225-925-6625 (Baton Rouge calling area), 1-800-272-8451 (toll-free), 225-925-6770 (TDD – Baton Rouge calling area) or 1-800-259-6771 (TDD – toll-free).
