INTRODUCTION

1.1 Establishment of Health Care FSA

The Office of Group Benefits, Division of Administration, State of Louisiana, constructed the Health Care Flexible Spending Arrangement (“Health Care FSA”) as part of the Flexible Benefits Plan, which is an IRS-qualified cafeteria plan, established July 1, 1993. The purpose of this Health Care FSA is to permit a Participant to contribute to an Account for pre-tax reimbursement of certain Qualifying Medical Care Expenses. This Plan Document provides for two Health Care FSA coverage options – a General-Purpose Health Care FSA (GPFSA) and a Limited-Purpose (dental/vision) Health Care FSA (LPFSA).

This Plan Document is amended to comply with the Patient Protection and Affordable Care Act, public law no. 111-148, and the Health Care and Education Reconciliation Act of 2010, public law no. 111-152. This amendment is effective January 1, 2016.

Capitalized terms used in this Plan Document that are not otherwise defined in this Plan Document shall have the meanings set forth in Article 2.

1.2 Legal Status

This Health Care FSA is intended to: (1) qualify as a “self-insured medical reimbursement plan” under §105 of the Internal Revenue Code; (2) provide for the exclusion of Qualifying Medical Care Expenses reimbursed hereunder from each Participant’s gross income under Code §105(b); and (3) comply with the Internal Revenue Code and the regulations thereunder.

1.3 HIPAA Exception

This Health Care FSA satisfies the two conditions required for exception from the HIPAA portability rules.

Article 3

PARTICIPATION

3.1 Eligibility to Participate

An Employee is eligible to participate in this Health Care FSA if the Employee:

- (a) is an active, full-time Employee or a FTE as defined herein or is otherwise eligible for health insurance under an OGB-sponsored health plan or for whom OGB, in its sole discretion, determines should participate in this Health Care FSA to properly administer the requirements of applicable federal and state law; and
- (b) is employed by an Employer that utilizes the State of Louisiana Flexible Benefits Plan.

Retirees are not eligible to participate in this Health Care FSA, except for rehired retirees who otherwise meet the definition of Eligible Employee.

3.2 Participation for HSA-Eligible Individuals

- (a) *Limited-Purpose (dental/vision) Health Care FSA Option.* An Eligible Employee with qualifying HDHP coverage may participate in the Limited-Purpose (dental/vision) Health Care FSA option and remain a HSA-Eligible Individual.
- (b) *General-Purpose Health Care FSA Option.* An Eligible Employee with qualifying HDHP coverage may not participate in the General-Purpose Health Care FSA option and remain a HSA-Eligible Individual.
- (c) *Transition Rule.* A Participant who has an election for the General-Purpose Health Care FSA that is in effect on the day immediately preceding the first day of a Plan Year cannot make HSA Contributions for any of the first three calendar months of that same Plan Year, unless the balance in the Participant's General-Purpose Health Care FSA Account was \$0.00 on the day immediately preceding the first day of that same Plan Year. For this purpose, a Participant's General-Purpose Health Care FSA Account balance is determined on a cash basis – that is without regard to any claims that have been incurred but have not yet been reimbursed (whether or not such claims have been submitted).

3.3 Election to Participate; Commencement of Participation

- (a) *Elections During Enrollment Period.* New Eligible Employees who want to enroll in the Health Care FSA must submit the Enrollment Form and elect to pay any applicable Administrative Fee within the Enrollment Period. The applicant becomes a Participant effective the first of the month following the first full calendar month of eligibility.
- (b) *Elections During Annual Enrollment Period.* During each Annual Enrollment Period with respect to a Plan Year, the Administrator shall make available an Enrollment Form upon request. The Enrollment Form shall be completed and returned to the Employer on or before the last day of the Annual Enrollment Period. If an Eligible Employee elects to participate during an Annual Enrollment Period, he becomes a Participant on the first day of the applicable Plan Year.

- (c) *Eligible Employee Who Fails to File an Enrollment Form.* If an Eligible Employee fails to file (or fails to timely file) an Enrollment Form with respect to a Plan Year with his Employer during the Annual Enrollment Period, he will not be considered a Participant in this Health Care FSA with respect to the Plan Year and he may not elect to participate in this Health Care FSA until the next Annual Enrollment Period, unless he experiences a Plan-Recognized Qualified Life Event as outlined in Section 4.5, and makes an election change on account of and consistent with the Plan-Recognized Qualified Life Event pursuant to Section 4.5.

3.4 Participation Agreement

An election by an Eligible Employee to participate in this Health Care FSA is an agreement to the following:

- (a) Agreement to pay the Administrative Fee (Failure to pay the Administrative Fee will result in the denial of the privilege to participate in the Health Care FSA);
- (b) Agreement to authorize his Employer to reduce his Compensation by his Salary Reduction before federal and state income and Social Security taxes are calculated;
- (c) Agreement to forfeit any amount remaining in his Health Care FSA Account after 45 days following the end of the Grace Period for the Plan Year;
- (d) Agreement to not request reimbursement for expenses covered by another health care FSA account;
- (e) Agreement to not deduct expenses, for which he is reimbursed by this Health Care FSA, on his income tax return;
- (f) Agreement to request reimbursement only for Qualifying Medical Care Expenses incurred during the same Plan Year and/or Grace Period as the Plan Year in which the funds were deposited into the Health Care FSA Account; and
- (g) Agreement that his Employer and Administrator will not incur any liability resulting from either his participation in the Health Care FSA or his failure to sign or accurately complete an Enrollment Form.

3.5 Termination of Participation

An Eligible Employee will cease to be a Participant in this Health Care FSA upon the earlier of:

- (a) the expiration of the Plan Year for which the Employee has elected to participate (unless during the Annual Enrollment Period for the next Plan Year the Participant elects to continue participating);
- (b) the termination of the Health Care FSA;
- (c) the date the Participant ceases to be an Eligible Employee; or
- (d) the date the Participant revokes the election to participate on account of and consistent with events permitting exception to the irrevocability rule pursuant to Section 4.5.

Termination of an Employee's participation in this Health Care FSA shall cause the Participant's elections made under this Health Care FSA to be automatically revoked. Reimbursements after termination of participation will be made pursuant to Sections 5.7 and 5.8.

3.6 Reinstatement of Former Participants by Reason of Civil Service Appeal

When employment of a Participant is terminated and reinstated within the same Plan Year by reason of a Civil Service appeal, elections shall be reinstated retroactive to the date that employment was terminated. In the event the terminated Participant is not reinstated prior to the end of the Plan Year in which he was terminated, he shall no longer be a Participant and he shall no longer be an Eligible Employee. To the extent COBRA applies, the Participant may continue coverage under COBRA.

If this former Participant's employment is reinstated during a subsequent Plan Year, the former Participant will be permitted to enter the Health Care FSA upon return from his absence for the current Plan Year only.

3.7 Participation Following Rehire

If a Participant terminates his employment for any reason, including (but not limited to) disability, retirement, layoff, or voluntary resignation, and then is rehired within thirteen (13) weeks (26 weeks for educational institutions) after the date of the termination of employment, the Employee may enroll in this Health Care FSA.

3.8 Participation Following Transfer

A Participant who transfers from one Employer to another Employer within the participating Flex Plan payroll systems will continue to participate in the Health Care FSA on the same basis of participation as prior to the transfer.

3.9 FMLA Leaves of Absence

Notwithstanding any provision to the contrary in this Plan Document, if a Participant goes on a qualifying paid leave under the FMLA, he may elect to continue on the same basis as during active service or discontinue his coverage.

In the case when a Participant goes on a qualifying unpaid leave under the FMLA, he may elect to continue or discontinue his coverage. If he elects to continue, the Participant may pay his Salary Reduction in one of the following ways:

- (a) by pre-paying with pre-tax dollars the monthly portion of the Salary Reduction for the expected duration of the leave pursuant to the approved FMLA agreement and timely application to the OGB (i.e., GB-01). To pre-pay the Salary Reduction, the Participant must also complete a Request for Change to Flexible Benefits Plan Elections form prior to the date that such Compensation would normally be made available (Pre-tax dollars may not be used to fund coverage during the next Plan Year) and upon return from the unpaid leave;
- (b) by paying with pre-tax dollars upon his return to work on a payroll reduction schedule pursuant to the approved FMLA agreement and timely application to the OGB (i.e., GB-01). The Participant must also complete a Request for Change to Flexible Benefits Plan Elections form prior to and upon return from the unpaid leave; or

- (c) by paying with after-tax dollars in the form of monthly payments to the Employer by the due date established by the Employer.

If a Participant's coverage ceases while on unpaid FMLA leave, the Participant will be permitted to re-enter the Health Care FSA upon return from such unpaid leave on the same basis as when the Participant was participating in the Health Care FSA prior to the leave, or otherwise required by FMLA.

3.10 Non-FMLA Leaves of Absence

Notwithstanding any provision to the contrary in this Plan Document, if a Participant goes on unpaid leave that does not affect eligibility, he may elect to continue or discontinue his coverage. If the Participant elects to continue his coverage, he may pay his Salary Reduction in one of the following ways:

- (a) by pre-paying with pre-tax dollars the monthly portion of the Salary Reduction for the expected duration of the leave pursuant to his Employer's approval of the leave and timely application to the OGB (i.e., GB-01). To pre-pay the Salary Reduction the Participant must also complete a Request for Change to Flexible Benefits Plan Elections form prior to the date that such Compensation would normally be made available (Pre-tax dollars may not be used to fund coverage during the next Plan Year) and upon return from the unpaid leave;
- (b) by paying with pre-tax dollars upon his return to work on a payroll reduction schedule pursuant to his Employer's approval of the leave and timely application to the OGB (i.e., GB-01). The Participant must also complete a Request for Change to Flexible Benefits Plan Elections form prior to and upon return from the unpaid leave; or
- (c) by paying with after-tax dollars in the form of monthly payments to the Employer by the due date established by the Employer.

If a Participant goes on an unpaid leave that affects eligibility, the election change rules in Section 4.5 will apply. To the extent COBRA applies, the Participant may continue coverage under COBRA.

Article 4

BENEFITS and ELECTIONS

4.1 Administrative Fee

An election to participate in this Health Care FSA is an election to pay an Administrative Fee to receive Benefits in the form of reimbursements for Qualifying Medical Care Expenses.

4.2 Maximum and Minimum Benefits

Unless otherwise required by the IRS, the following shall apply for the 2016 Health Care FSA Plan Year:

- (a) *Plan Years.* The maximum annual Benefit amount that a Participant may elect to receive under this Health Care FSA in any Plan Year and/or Grace Period shall be \$2,550. The minimum annual Benefit amount that a Participant may elect to receive under this Health Care FSA in any Plan Year and/or Grace Period shall be \$600.
- (b) *Short Plan Years.* The maximum annual Benefit amount that a Participant may elect to receive under this Health Care FSA in any Short Plan Year and/or Grace Period shall be \$2,550. The minimum annual Benefit amount that a Participant may elect to receive under this Health Care FSA in any Short Plan Year and/or Grace Period shall be \$600.

4.3 Salary Reduction Contributions

Participants in this Health Care FSA must pay for the cost of Benefits on a pre-tax Salary Reduction basis pursuant to an Enrollment Form. The Participant's annual Contribution is equal to the annual Benefit amount elected by the Participant. For Participants paid monthly, the Salary Reduction for each pay period is an amount equal to the annual Contribution plus the annual Administrative Fee divided by 12. For Participants paid bi-weekly, the Salary Reduction for each pay period, except for a pay period associated with a third check in a given month, is an amount equal to the annual Contribution plus the annual Administrative Fee divided by 24. For Participants paid weekly, the Salary Reduction for each pay period is an amount equal to the annual Contribution plus the annual Administrative Fee divided by 52.

4.4 Irrevocability of Elections: Not Applicable for HSA

Except as provided in Section 4.5, a Participant's election to participate in this Health Care FSA is irrevocable for the duration of the Plan Year; therefore, the Participant may not change:

- (a) his participation in the Health Care FSA;
- (b) his elected annual Benefit amount; or
- (c) his Salary Reduction amount.

4.5 Events Permitting Exception to the Irrevocability Rule

Elections under the Health Care FSA may only be revoked or changed if and as provided in the OGB Plan-Recognized Qualified Life Events document, attached hereto.

4.6 Election Modifications Required by Administrator

The Administrator may, at any time, require any Participant or class of Participants to amend his/her enrollment in Benefits for a Plan Year if the Administrator determines such action is necessary or advisable in order to:

- (a) satisfy any of the Code's nondiscrimination requirements applicable to this Health Care FSA or the Flex Plan;
- (b) prevent any Employee or class of Employees from having to recognize more income for federal income tax purposes due to the receipt of benefits hereunder than would otherwise be recognized; or
- (c) maintain the qualified status of Benefits received under this Health Care FSA.

In the event participation in Benefits need to be reduced for a class of Participants, the Administrator will reduce the participation in Benefits for each affected Participant, beginning with the Participant in the class who elected the greatest participation in Benefits, continuing with the Participant in the class who elected the next greatest participation in Benefits, and so forth, until the defect is corrected.

Article 5

REIMBURSEMENT PROCEDURE

5.1 Reimbursable Expenses

- (a) *Qualifying Medical Care Expenses.* A Participant may receive reimbursement for Qualifying Medical Care Expenses incurred during the Plan Year and/or Grace Period for which an election is in force. A Qualifying Medical Care Expense is incurred at the time the medical care or service giving rise to the expense is furnished, and not when the Participant is formally billed, is formally charged, or pays for the medical care.
- (b) *Prescription Medicines/Drugs.* The Plan Administrator (in its sole discretion and on a uniform and consistent basis) shall determine, based upon prevailing IRS guidance, whether a particular item is a medicine or drug, and whether the prescription requirement has been satisfied. Items such as crutches, bandages, and blood sugar test kits are not medicines or drugs.
- (c) *Coordination of Benefits with HSA.* The Health Care FSA shall not be considered to be a group health plan and Health Care FSA Benefits shall not be taken into account for coordination of benefits purposes. In the event an expense is eligible for reimbursement under both the Health Care FSA and the HSA, the Participant may choose to seek reimbursement from either the Health Care FSA or the HSA, but not both.

5.2 Maximum and Minimum Reimbursement

- (a) *Maximum Reimbursement Available.* Reimbursement for Qualifying Medical Care Expenses of the maximum dollar amount elected by the Participant for a Short Plan Year or Plan Year (reduced by prior reimbursements and Qualified Reservist Distribution(s) during the Short Plan Year or Plan Year) shall be available at all times during the Plan Year and/or Grace Period, regardless of the actual amounts credited to the Participant's Health Care FSA Account pursuant to Section 5.3. Notwithstanding the foregoing, no reimbursements will be available for expenses incurred after coverage under this Health Care FSA has terminated, unless the Participant has elected COBRA as provided in Section 5.7. Payment shall be made to the Participant in cash as reimbursement for Qualifying Medical Care Expenses incurred during the Short Plan Year or Plan Year and/or Grace Period for which the Participant's election is effective, provided that the Participant has complied with all other requirements of this Plan Document.
- (b) *Maximum and Minimum Annual Benefit Amounts.*
 - (1) *Short Plan Year.* The maximum Benefit amount that a Participant may elect to receive under this Health Care FSA in any Short Plan Year and/or Grace Period shall be \$2,550, subject to Section 5.3(c), below. The minimum Benefit amount that a Participant may elect to receive under this Health Care FSA in any Short Plan Year and/or Grace Period shall be \$600. Reimbursements due for Qualifying Medical Care Expenses incurred by the Participant, Participant's Spouse or Participant's Dependents as well as any Qualified Reservist Distribution(s) shall be charged against the Participant's Health Care FSA Account.
 - (2) *Plan Year.* The maximum annual Benefit amount that a Participant may elect to receive under this Health Care FSA in any Plan Year and/or Grace Period shall be \$2,550, subject to Section 5.3(c), below. The minimum annual Benefit amount that a

Participant may elect to receive under this Health Care FSA in any Plan Year and/or Grace Period shall be \$600. Reimbursements due for Qualifying Medical Care Expenses incurred by the Participant, Participant's spouse or Participant's Dependents as well as any Qualified Reservist Distribution(s) shall be charged against the Participant's Health Care FSA Account.

- (c) *Changes; No Proration.* For subsequent Plan Years, the maximum and minimum annual Benefit amount may be changed by the Administrator and shall be communicated to Employees through the Enrollment Form or another document. If a Participant wishes to increase an election mid-year as permitted under Section 4.5, the Participant may elect coverage up to the maximum annual Benefit amount, as applicable.
- (d) *Effect on Maximum Benefits if Election Change Permitted.* Any change in an election under Section 4.5 affecting the maximum annual Benefit amount for a Participant's Health Care FSA Account also will change the maximum reimbursement of Benefits for the balance of the Plan Year commencing with the election change. Such maximum reimbursement of Benefits for the balance of the Plan Year shall be calculated by adding the Contributions made by the Participant (if any) as of the end of the portion of the Plan Year immediately preceding the change in election to the total Contributions scheduled to be made by the Participant during the remainder of such Plan Year to the Health Care FSA Account, reduced by all reimbursements and distributions made during the entire Plan Year.

5.3 Establishment of Account

The Administrator will establish and maintain on its books a Health Care FSA Account with respect to each Participant who has elected to participate in the Health Care FSA, but it will not create a separate fund or otherwise segregate assets for this purpose. The Account so established will be merely a record-keeping account for the purpose of keeping track of Contributions and determining forfeitures under Section 5.8.

- (a) *Crediting of Accounts.* A Participant's Health Care FSA Account will be credited periodically during each Plan Year with an amount equal to the Participant's maximum annual Benefit amount elected to be allocated to such Account. The Administrative Fee is not credited to the Account.
- (b) *Debiting of Accounts.* A Participant's Health Care FSA Account will be debited during each Plan Year for any reimbursement of Qualifying Medical Care Expenses incurred, or Qualified Reservist Distribution(s) during the Plan Year and/or the Grace Period.
- (c) *Available Amount Not Based on Credited Amount.* The amount available for reimbursement of Qualifying Medical Care Expenses is the Participant's maximum annual Benefit amount, reduced by prior reimbursements and any Qualified Reservist Distribution(s) during the Plan Year; it is not based on the amount credited to the Health Care FSA Account at a particular point in time. Thus, a Participant's Health Care FSA Account may have a negative balance during the Plan Year, but any such negative amount shall never exceed the maximum annual Benefit amount elected by the Participant under this Health Care FSA.

5.4 Qualified Reservist Distribution (QRD)

Notwithstanding any other provision of the Plan to the contrary, a Participant who meets each of the following requirements may elect to receive a distribution of certain funds from his Health Care FSA Account for a Plan Year:

- (a) The Participant's Contributions to his Health Care FSA Account for the Plan year as of the date of the request for a QRD exceed the reimbursements he has received from his Health Care FSA Account for the Plan Year as of that date.
- (b) The Participant is called or ordered to active military duty for a period of at least one hundred eighty (180) days or for an indefinite period by reason of being a member of the Army National Guard of the United States, the Army Reserve, the Navy Reserve, the Marine Corps Reserve, the Air National Guard of the United States, the Air Force Reserve, the Coast Guard Reserve, or the Reserve Corps of the Public Health Service.
- (c) The Participant has provided the Administrator with a copy of the call or order to active duty. A call or order to active duty of less than one hundred eighty (180) days duration must be supplemented by subsequent calls or orders to reach a total of one hundred eighty (180) or more days.
- (d) The Participant is called or ordered to active military duty on or after January 1, 2009, or his period of active duty begins before January 1, 2009, and continues on or after that date.
- (e) During the period beginning on the date of the call or order to active duty and ending on the last day of the Plan Year during which the call or order occurred, the Participant delivers a written election to the Administrator (or its designee) in such form as the Administrator may prescribe, requesting a QRD.

The amount of the QRD shall be no more than the Participant's Contributions to his Health Care FSA Account for the Plan Year as of the date of the QRD request, minus the reimbursements he has received from his Account for the Plan Year as of the date of the request. Notwithstanding any other provision of the Plan to the contrary, this portion of the Participant's balance may be distributed without regard to whether Qualifying Medical Care Expenses have been incurred. The QRD is subject to employment taxes and will be reported as wages on the Participant's employee Form W-2 for the year in which the QRD is paid.

The QRD is limited by the Participant's Contributions and prior reimbursements. The Participant continues to participate through the entire Plan Year and multiple QRDs are allowed with respect to any one Participant during the same Plan Year as long as the total dollar amount of all QRDs and reimbursements for Qualifying Medical Care Expenses do not exceed the amount of the Participant's election under the Health Care FSA for the Plan Year. The QRD may not be made with respect to a Plan Year ending before the order or call to active duty.

The Qualified Reservist Distribution will be made as soon as practicable not to exceed sixty (60) days, or the Administrator will notify the Participant that his distribution was denied within a reasonable time not to exceed sixty (60) days after receipt of the QRD request.

5.5 Procedure for Claiming Reimbursement

A Participant who has elected to receive Benefits for a Plan Year may apply for reimbursement by submitting an application in writing to the Administrator in such form as the Administrator may prescribe no later than the close of the Run-Out Period for the Plan Year in which the Qualifying Medical Care Expenses were incurred, setting forth:

- (a) the person or persons on whose behalf Qualifying Medical Care Expenses have been incurred;
- (b) the nature and date of the expenses so incurred;
- (c) the amount of the requested reimbursement; and
- (d) a statement that such expenses have not otherwise been reimbursed and are not reimbursable through any other source.

Such application shall be accompanied by bills, invoices, or other statements from an independent third party showing that the Qualifying Medical Care Expenses have been incurred and the amount of such Qualifying Medical Care Expenses, together with any additional documentation that the Administrator may request.

5.6 Timing of Reimbursement

As soon as practicable after the Participant submits a reimbursement claim to the Administrator, the Administrator will reimburse the Participant for his Qualifying Medical Care Expenses, or will notify the Participant that his claim has been denied within a reasonable period of time not to exceed sixty (60) days after receipt of a claim.

5.7 Termination of Benefits

When a Participant ceases to be a Participant under Section 3.5, the Participant's Salary Reduction will terminate, as will the Participant's election to receive reimbursements. The Participant will not be able to receive reimbursements for Qualifying Medical Care Expenses incurred after his participation terminates. However, such Participant (or the Participant's estate) may claim reimbursement for any Qualifying Medical Care Expenses incurred during the Plan Year and/or the Grace Period prior to termination, provided that the Participant (or the Participant's estate) files a claim no later than the close of the Run-Out Period for the Plan Year in which the expense(s) arose.

Notwithstanding any provision to the contrary in this Plan Document, to the extent required by COBRA, a Participant and his spouse and Dependents, whose coverage terminates under the Health Care FSA because of a COBRA qualifying event, shall be given the opportunity to continue coverage under the Health Care FSA on an after-tax basis for the periods prescribed by COBRA (subject to all conditions and limitations under COBRA.) Specifically, such individuals will be eligible for COBRA continuation coverage only if, under Section 5.3, they have a positive Health Care FSA Account balance at the time of a COBRA qualifying event (taking into account all claims submitted before the date of the qualifying event.) Such individuals will be notified if they are eligible for COBRA continuation coverage. If COBRA is elected, it will be available only for the Plan Year in which the qualifying event occurs; such COBRA coverage for the Health Care FSA will cease at the end of the Grace Period for the respective Plan Year and cannot be continued for the next Plan Year.

5.8 Use or Lose Rule; Forfeiture of Accounts

If a Participant has a positive (greater than \$0) balance in his Health Care FSA Account for a Plan Year after all reimbursements have been made for the Plan Year and/or the Grace Period, such balance shall not be carried over to reimburse the Participant for Qualifying Medical Care Expenses incurred during a subsequent Plan Year. The Participant shall forfeit all rights with respect to such balance.

All forfeitures under this Health Care FSA shall be used as follows: first, to reduce the cost of administering this Health Care FSA during the Plan Year (All such administrative costs shall be documented by the Administrator.); and second, to be returned to the Participants in the form of cash on a per Participant uniform basis. In no case will the forfeitures be allocated among Participants based directly or indirectly on their individual claims experience.

In such case, a decision shall be rendered as soon as possible, but not later than one hundred twenty (120) days after receipt of the request for review. If such an extension of time for review is required, written notice of the extension shall be furnished to the Participant prior to the commencement of the extension.

ADMINISTRATION

7.1 Administrator

The administration of the Health Care FSA shall be under the supervision of the Administrator. It is the principal duty of the Administrator to see that the terms of this Health Care FSA are carried out, in accordance with the terms of this Plan Document, for the exclusive benefit of persons entitled to participate in this Health Care FSA without discrimination among them.

7.2 Powers of the Administrator

The Administrator shall have such duties and powers, as it considers necessary or appropriate to discharge its duties. It shall have the exclusive right to interpret the Plan and to decide all matters thereunder, and all determinations of the Administrator with respect to any matter hereunder shall be conclusive and binding on all persons. Without limiting the generality of the foregoing, the Administrator shall have the following discretionary authority:

- (a) to construe and interpret this Plan Document, including all possible ambiguities, inconsistencies and omissions in the Plan Document and related documents, and to decide all questions of fact, questions relating to eligibility and participation, and questions of Benefits under this Health Care FSA (provided that, notwithstanding the first paragraph in this Section 7.2, the Appeals Panel shall exercise such exclusive power with respect to an appeal under Article 6);
- (b) to prescribe procedures to be followed and the forms to be used by Employees and Participants to make elections pursuant to this Health Care FSA;
- (c) to prepare and distribute information explaining this Health Care FSA and the Benefits under this Health Care FSA in such manner as the Administrator determines to be appropriate;
- (d) to request and receive from all Employees and Participants such information as the Administrator shall determine from time to time to be necessary for the proper administration of this Health Care FSA;
- (e) to furnish each Participant with such reports with respect to the administration of this Health Care FSA as the Administrator determines to be reasonable and appropriate, including appropriate statements setting forth the amounts by which a Participant's Compensation has been reduced in order to provide Benefits under this Health Care FSA;
- (f) to receive, review and keep on file such reports and information concerning the Benefits covered by this Health Care FSA as the Administrator determines from time to time to be necessary and proper;
- (g) to appoint and employ such individuals or entities to assist in the administration of this Health Care FSA as it determines to be necessary or advisable;
- (h) to sign documents for the purpose of administering this Health Care FSA, or to designate an individual or individuals to sign documents for the purposes of administering this Health Care FSA; and

- (i) to maintain the books of accounts, records, and other data in the manner necessary for the proper administration of this Health Care FSA and to meet any applicable disclosure and reporting requirements.

The Administrator shall have no power to alter the terms of this Plan Document or to waive or fail to apply requirements governing eligibility or participation.

7.3 Reliance on Participant, Tables, etc.

The Administrator may rely upon the direction, information or election of a Participant as being proper under the Health Care FSA and shall not be responsible for any act or failure to act because of a direction or lack of direction by a Participant. The Administrator will also be entitled, to the extent permitted by law, to rely conclusively on all tables, valuations, certificates, opinions, and reports that are furnished by accountants, attorneys, or other experts employed or engaged by the Administrator.

7.4 Fiduciary Liability

To the extent permitted by law, the Administrator shall not incur any liability for any acts or failure to act except for his own willful misconduct or willful breach of this Health Care FSA.

7.5 Inability to Locate Payee

If the Administrator is unable to make payment to any Participant or other person to whom a payment is due under this Health Care FSA because it cannot ascertain the identity or whereabouts of such Participant or other person after reasonable efforts have been made to identify or locate such person, then such payment and all subsequent payments otherwise due to such Participant or other person shall be forfeited sixty (60) days after the end of the Plan Year in accordance with Section 5.7.

7.6 Effect of Mistake

In the event of a mistake as to the eligibility or participation of an Employee, the allocations made to the Account of any Participant, or the amount of Benefits paid or to be paid to a Participant or other person, the Administrator shall, to the extent it deems possible and permissible under Code §125 or the regulations issued thereunder, cause to be allocated or cause to be withheld or accelerated, or otherwise make adjustment of, such amounts as it will in its judgment accord to such Participant or other person the credits to the Account or distributions to which he is properly entitled under this Health Care FSA. Such action by the Administrator may include withholding of any amounts due this Health Care FSA or the Employer from Compensation paid by the Employer.

Article 8

GENERAL PROVISIONS

8.1 Expenses

All reasonable expenses incurred in administering the Health Care FSA are currently paid by Administrative Fees and by forfeitures to the extent provided in Section 5.8.

8.2 No Contract of Employment

Nothing herein contained is intended to be or shall be construed as constituting a contract or other arrangement between any Employee and the Employer to the effect that such Employee will be employed for any specific period of time. All Employees are considered to be employed at the will of the Employer.

8.3 Amendment and Termination

This Health Care FSA has been established with the intent of being maintained for an indefinite period of time. Nonetheless, the Administrator may amend or terminate this Health Care FSA at any time by direction of the Office of Group Benefits, or by any person or persons authorized by the Office of Group Benefits to take such action, and any such amendment or termination will automatically apply to the related Employers which are participating in this Health Care FSA.

8.4 Governing Law

This Health Care FSA shall be construed, administered, and enforced according to the laws of the State of Louisiana, to the extent not superseded by the Code, or other federal law.

8.5 Code Compliance

It is intended that this Health Care FSA meets all applicable requirements of the Code, and all of the regulations issued thereunder. This Health Care FSA shall be construed, operated, and administered accordingly, and in the event of any conflict between any part, clause or provision of this Plan Document and the Code, the provisions of the Code shall be deemed controlling, and any conflicting part, clause, or provision of this Plan Document shall be deemed superseded to the extent of the conflict.

8.6 No Guarantee of Tax Consequences

Neither the Administrator nor the Employer makes any commitment or guarantee that any amounts paid to or for the benefit of a Participant under this Health Care FSA will be excludable from the Participant's gross income for federal, state, or local income tax purposes. It shall be the obligation of each Participant to determine whether each payment under this Health Care FSA is excludable from the Participant's gross income for federal, state and local income tax purposes, and to notify the Administrator if the Participant has any reason to believe that such payment is not so excludable.

8.7 Indemnification of Employer

If a Participant receives one or more payments or reimbursements under this Plan on a tax-free basis and if such payments do not qualify for such treatment under the Code, then such Participant shall indemnify and reimburse the Employer for any liability that it may incur for failure to withhold federal income taxes, Social Security taxes, or other taxes from such payments or reimbursements.

8.8 Non-Assignability of Rights

The right of any Participant to receive any reimbursement under this Health Care FSA shall not be alienable by the Participant by assignment or any other method and shall not be subject to claims by the Participant's creditors by any process whatsoever. Any attempt to cause such right to be so subjected will not be recognized, except to such extent as may be required by law.

8.9 National Medical Support Notices (NMSNs)/Qualified Medical Child Support Orders (QMCSOs)

In the event the Administrator receives a NMSN, the Administrator shall notify the affected Participant and any alternate recipient identified in the order of receipt of the order and the plan's procedures for determining whether such an order is appropriately completed and deemed to be a QMCSO. Within a reasonable period, the Administrator shall determine whether the NMSN is deemed to be a QMCSO and shall notify the Participant and alternate recipient of such determination. The IMEHLRA will provide Benefits in accordance with the applicable requirements of any NMSN, even if the child does not meet the definition of "Dependent."

8.10 Plan Document Provisions Controlling

In the event the terms or provisions of any summary or description of this Health Care FSA, or of any other instrument, are in any construction interpreted as being in conflict with the provisions of this Plan Document as herein set forth, the provisions of this Plan Document shall be controlling.

8.11 Severability

In the event any provision of this Plan Document shall be held illegal or invalid for any reason, this illegality or invalidity shall not affect the remaining provisions of this Plan Document, and such remaining provisions shall be fully severable and this Plan Document shall, to the extent practicable, be construed and enforced as if the illegal or invalid provision had never been inserted therein.
