

**Instructions for Active Employees and Retirees (OGB Louisiana Blue subscribers / policyholders)**

If you are unable to receive an Ochsner Wellness Screening this year because you did not meet the required health standards, are pregnant at the time of the onsite wellness clinics, or are within 60 days postpartum, you may work with your physician to develop a plan to maintain or improve your health. All information requested below must be completed. **Sending the completed form is ultimately your responsibility, not your provider's.**

Completed forms must be received by Ochsner Health by 5 p.m. on Sept. 30, 2026.  
Please print clearly. All fields are required. Incomplete or illegible forms cannot be processed.

**Step One: Patient Authorization and Release**

With the understanding that my personal health information will only be shared as permitted and protected by law, I agree to the release of the information requested below from my primary care provider to Ochsner Health to complete the requirements for my wellness incentive. Ochsner Health may disclose this medical information to me, to my health care provider(s), to my health plan, or a third-party entity designated by my current or any future health plan or employer for use in health and disease management programs. I understand this information may be used to identify my health risks, to provide education regarding how to address my identified risks, and to possibly contact me to promote participation in health and disease management programs.

**Step Two: Provider Acknowledgement**

Your patient's employer has partnered with Ochsner Health to provide worksite wellness initiatives. Individuals who do not meet the required health standards, are currently pregnant or were pregnant within the last 60 days will not be required to complete lab work or biometric testing. Please complete the information below and return this form to your patient. In compliance with HIPAA requirements, the Office of Group Benefits accommodates personal physician recommendations for your patient to maintain or improve their health. We do not need to know if your patient is pregnant, what your patient's limitations are, or what your plan is for your patient.

**By signing below, you acknowledge that you have presented a health improvement or maintenance plan to your patient who is named above or that you have been providing care for them during their pregnancy.**
