Resolution Revolution

Get ready...
Your challenge starts next week.

January 10th is just around the corner. A day like any other, except for one striking difference. It happens to be the day by which the majority of us will have given up on our New Year’s resolutions.

This year, resolve to do things differently. It’s not a lack of willpower that makes us break. It’s actually a flaw in the concept of resolutions, which tend to be black and white: “I will lose 10 pounds this year.” If you want to change behavior over the long haul, you have to build new, healthier habits—one small step at a time.

Join the Resolution Revolution. Office of Group Benefits and Omada invite you to join a 5-day Healthy Habits Challenge to jumpstart you towards your goals. You’ll see how, over just the course of a week, tiny changes can have a surprisingly big impact on the way you feel. It starts Monday—get ready!

Take 1 minute today.

Celebrate Fitness
No matter what your resolution is this year, physical activity can help you focus and achieve your goals. This month, start the habit of waking up early to move that body. Try these three tips for success:

- **Prepare the night before** – Get your workout clothes, shoes, and favorite playlist ready.
- **Place your alarm far away** – By the time you turn it off, you’ll be up on your feet.
- **Get some sunrays** – Soak up those rays to feel energized by standing near an open window or placing your bed to face east.

Being active helps you to become healthier and stronger — and feel your best — at every age. Getting 30 minutes of moderate exercise at least five days a week helps lower your risk of serious illness and improves your mood.
