OGB Plan Members Can No Longer Refill Drugs Early

The Louisiana Office of Group Benefits announced today that due to the possible effects of Hurricane Dennis, it will reimpose early refill restrictions for plan members in the EPO, PPO, and MCO health plans. Humana is doing the same for HMO plan members in Louisiana and Mississippi.

This waiver began at 12:01 a.m. on Saturday, July 9th and was in effect until cancellation notice was given by OGB, effective at 10:00 a.m. on Monday, July 11, 2005.

Plan members with questions can call OGB's prescription drug provider, CatalystRx Customer Service at 1-866-358-9530 or OGB Customer Service 1-800-272-8451. Information will also be available on OGB's website at www.groupbenefits.org.
