

## OGB & Access Health Informational Webinars

Introducing a new way to receive the care you want, when you need it,  
**at no cost to you!**

The Office of Group Benefits (OGB) will be holding online informational webinars to introduce a new benefit coming soon, pending legislative committee approval. OGB members are encouraged to participate as Access Health speaks on Access2day clinics and how they work.

This new benefit will allow OGB members, enrolled in a BCBS health plan, to seek **primary and preventative care at no cost to them, with no appointment necessary.** Access Health will explain more about the types of care available and who is eligible.

The webinars will be held on the following days and times and registration is required:

- **Monday, June 24, 2019 at 2:00pm**
