

Access2Day Health Services Update

The Office of Group Benefits (“OGB”) is pleased to announce that services provided by Access Health, Inc. will continue to be available to you after April 9, 2021. Please disregard any previous notifications concerning termination of these services.

This means you and your eligible dependents can receive covered services at an Access2Day clinic with no out-of-pocket cost. A list of covered services you can receive at an Access2Day clinic can be found on page two of this notice. To find the nearest Access2Day clinic near you, visit www.access2dayhealth.com/ogb or call 1-800-797-9503.

For further information regarding this notice, please contact OGB Customer Service at 1(800)272-8451.

As an Access2day Health member through your employer, you and your family have exclusive access to the best primary, preventative and wellness care and at no cost to you.
