SUMMARY CONCERNING COVERAGE, LIMITATIONS, AND EXCLUSIONS UNDER THE ALASKA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

A resident of Alaska who purchases life insurance, annuities, or accident and health insurance should know that an insurance company licensed in this state to write these types of insurance is a member of the Alaska Life and Health Insurance Guaranty Association. The purpose of this association is to assure that a policyholder will be protected within statutory limits if a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through the guaranty association is not unlimited. This protection is not a substitute for your care in selecting a company that is well managed and financially stable.

The state law that provides for this safety net coverage is called the Alaska Life and Health Insurance Guaranty Association Act. The full text of the act can be found in AS 21.79.010 – 21.79.990. Provided below is a brief summary of this law's coverages, exclusions, and limits. This summary does not cover all provisions of the law, nor does it in any way change your rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, an individual will be protected by the life and health insurance guaranty association if the individual lives in Alaska and holds a life or health insurance contract or annuity contract, or if the insured is insured under a group insurance contract issued by a member insurer. The beneficiary, payee, or assignee of an insured person is protected as well, even if a non-resident of Alaska.

EXCLUSIONS FROM COVERAGE

The association does not protect a person holding a policy if:

• the individual is eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);

• the insurer was not authorized to do business in this state; or

• the policy is issued by an organization that is not a member of the Alaska Life and Health Insurance Guaranty Association.

The association does not provide coverage for:

• a policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

• a policy of reinsurance (unless an assumption certificate was issued);
• an interest rate yield that exceeds an average rate;

• a dividend;

• a credit given in connection with the administration of a policy by a group contract holder;

• an employer's plan to the extent that it is self-funded (that is, not insured by an insurance company, even if an insurance company administers the plan);

• an unallocated annuity contract issued to an employee benefit plan protected under the United States Pension Benefit Guaranty Corporation;

• that part of an unallocated annuity contract not issued to a specific employee, union, association of natural persons benefit plan, or a government lottery;

• any portion of a policy or contract to the extent that the required assessments are preempted by federal or state law;

• an obligation that does not arise under the express written terms of the policy or contract issued by the insurer;

• certain obligations to provide a book value accounting guaranty for defined contribution benefit plan participants; or

• that part of a policy or contract that provides for interest or other changes in value to be determined by the use of an index or other external reference stated in the policy or contract.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay. The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, no matter how many policies or contracts were issued by the same company, even if such contracts provided different types of coverages, the association will pay a maximum of:

• $300,000 in net life insurance death benefits and no more than $100,000 in net cash surrender and net cash withdrawal values for life insurance;

• for health insurance benefits, $100,000 for coverages not defined as disability income, health benefit plans or long-term care insurance, including any net cash surrender and net cash withdrawal values;

• $300,000 for disability income insurance and long-term care insurance;

• $500,000 for health benefit plans;

• $250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal value;
• with respect to a structured settlement annuity, $250,000 in present value annuity benefits, in the aggregate, including net cash surrender and net cash withdrawal values;

• $250,000 in the aggregate, of present-value annuity benefits, including net cash surrender and net cash withdrawal values with respect to an individual participating in a governmental retirement plan established under 26 U.S.C. 401, 26 U.S.C. 403(b), or 26 U.S.C. 457 and covered by an unallocated annuity contract, or to a beneficiary of the individual if the individual is deceased; or

• $5,000,000 in unallocated annuity contract benefits, irrespective of the number of contracts held by that contract holder, with respect to any one contract holder or plan sponsor whose plan owns, directly or in trust, one or more unallocated annuity contracts.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DA Cs, etc.) covered by the act: for unallocated annuities that fund governmental retirement plans under sections 401 (k), 403(b), or 457 of the Internal Revenue Code, the limit is $250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than $300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of $5,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases the contract limits also apply.

LIMITATIONS AND EXCLUSIONS UNDER THE ARKANSAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of this state who purchase life insurance, annuities or health and accident insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Arkansas Life and Health Insurance Guaranty Association (“Guaranty Association”). The purpose of the Guaranty Association is to assure that policy and contract owners will be protected, within certain limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of policy owners who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by the member insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers’ care in selecting insurance companies that are well managed and financially stable.

DISCLAIMER

The Arkansas Life and Health Insurance Guaranty Association (“Guaranty Association”) may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions and require continued residency in this state. You should not rely on coverage by the Guaranty Association in purchasing an insurance policy or contract.

Coverage is NOT provided for your policy or contract or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract.

Insurance companies or their agents are required by law to provide you with this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net is called the Arkansas Life and Health Insurance Guaranty Association Act (“Act”). Below is a brief summary of the Act’s coverages, exclusions and limits. This summary does not cover all provisions of the Act; nor does it in any way change anyone’s rights or obligations under the Act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life, annuity or health insurance contract or policy, or if they are insured under a group insurance contract issued by a member insurer. The beneficiaries, payees or assignees of policy or contract owners are protected as well, even if they live in another state.
EXCLUSIONS FROM COVERAGE

However, persons owning such policies are NOT protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy or contract was issued by a nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy or contract owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does NOT provide coverage for:

- Any policy or contract or portion thereof which is not guaranteed by the insurer or for which the owner has assumed the risk, such as a non-guaranteed amounts held in a separate account under a variable life or variable annuity contract;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends and voting rights and experience rating credits;
- Credits given in connection with the administration of a policy by a group contract holder;
- Employers’ plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contract holders, not individuals);
- Unallocated annuity contracts issued in connection with benefit plans protected under Federal Pension Benefit Corporation (“FPBC”) (whether the FPBC is yet liable or not);
- Portions of an unallocated annuity contract not owned by a benefit plan or a government lottery (unless the owner is a resident) or issued to a collective investment trust or similar pooled fund offered by a bank or other financial institution);
- Portions of a policy or contract to the extent assessments required by law for the Guaranty Association are preempted by State or Federal law;
- Obligations that do not arise under the policy or contract, including claims based on marketing materials or side letters, riders, or other documents which do not meet filing requirements, or claims for policy misrepresentations, or extra-contractual or penalty claims;
- Contractual agreements establishing the member insurer’s obligations to provide book value accounting guarantees for defined contribution benefit plan participants (by reference to a portfolio of assets owned by a nonaffiliate benefit plan or its trustees).

LIMITS ON AMOUNTS OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to cover: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of $300,000 in life and annuity benefits and $500,000 in health insurance benefits—no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within these overall limits, the Association will not pay more than $300,000 in disability and long term care benefits, $500,000 in health insurance benefits, $300,000 in present value of annuity benefits, or $300,000 in life insurance death benefits or net cash surrender values—again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages. There is a $1,000,000 limit with respect to any contract holder for unallocated annuity benefits, irrespective of the number of contracts held by the contract holder. These are limitations for which the Guaranty Association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer.
NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. The purpose of the Guaranty Association is to provide statutorily-determined benefits associated with covered policies and contracts in the unlikely event that a member insurer is unable to meet its financial obligations and is found by a court of law to be insolvent. When a member insurer is found by a court to be insolvent, the Guaranty Association will assess the other member insurers to satisfy the benefits associated with any outstanding covered claims of persons residing in the District of Columbia. However, the protection provided through the Guaranty Association is subjected to certain statutory limits explained under “Coverage Limitations” section, below. Additionally, the Guaranty Association is not obligated to cover more than $5,000,000 for multiple non-group policies of life insurance with one owner of regardless of the number of policies owned.

NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE HAWAII LIFE AND DISABILITY INSURANCE GUARANTY ASSOCIATION ACT

Residents of Hawaii who purchase life insurance, annuities or disability insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Hawaii Life and Disability Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Hawaii Life and Disability Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Hawaii. You should not rely on coverage by the Hawaii Life and Disability Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the Hawaii Life and Disability Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.
COVERAGE
Generally, individuals will be protected by the Hawaii Life and Disability Insurance Guaranty Association if they live in this state and hold a life or Disability insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE
However, persons holding such policies are not protected by the Guaranty Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state); or
- the insurer was not a member of the Guaranty Association. A nonprofit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy-holder is subject to future assessments, or an insurance exchange are examples of nonmember insurers.

The Guaranty Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals).

LIMITS ON AMOUNT OF COVERAGE
The act also limits the amount the Guaranty Association is obligated to pay out. The basic protections provided by the Association are:

Life Insurance
- $300,000 in death benefits
- $100,000 in cash surrender or withdrawal values

Health Insurance
- $500,000 in hospital, medical and surgical insurance benefits
- $300,000 in disability insurance benefits
- $300,000 in long-term care insurance benefits
- $100,000 in other types of health insurance benefits

Annuities
- $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $300,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits and with regard to one owner or multiple non-group policies of life insurance.

Residents of Idaho who purchase life insurance, annuities or health/disability insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Idaho Life and Health Insurance Guaranty Association. The purpose of the Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. The valuable extra protection provided by these insurers through the Association is not unlimited, however, and is not a substitute for consumers’ care in selecting insurance companies that are well managed and financially stable.

The Idaho Life and Health Insurance Guaranty Association may not provide coverage for your policy. You should not rely on coverage by the Idaho Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

The state law that provides for this safety-net coverage is called the Idaho Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law’s coverages, exclusions and limits. This summary does not cover all provisions of the law, nor does it in any way change your legal rights or obligations or the Association’s legal rights or obligations which are defined by and set forth under the Act.

**COVERAGE:**

Generally, individuals will be protected by the Association if they live in Idaho and own a life or health/disability insurance policy, an annuity contract, or if they are an insured certificateholder under a group insurance contract issued by a member insurer. The beneficiaries, payees or assignees of insured persons may be protected as well, even if they live in another state.

**EXCLUSIONS FROM COVERAGE:**

However, persons holding such policies are not protected by the Association if:

- they are eligible for protection under the laws of another state
- the insurer was not authorized to do business in Idaho
- the policy was issued by a reciprocal insurer, mutual benefit association, fraternal benefit society, hospital and medical service corporation, limited managed care plan, or self-funded health care plan

The Association also does not provide coverage for:

- any policy or contract or any portion of any policy or contract which is not guaranteed by the insurer or under which the risk is borne by the policyholder
- any policy of reinsurance
- interest rate yields that exceed an average rate
- unallocated annuity contracts (any annuity not issued to and owned by an individual) except to the extent benefits are guaranteed to an individual under the contract or certificate
- Medicare Part C and Part D plans

**LIMITS ON AMOUNT OF COVERAGE:**

The Act also limits the amount the Association is obligated to pay out. The Association cannot pay out more than what the insurance company would owe under a policy or contract. Also, the aggregate liability per policy shall not exceed $100,000 in cash surrender values, $500,000 in major medical insurance benefits, $300,000 in health/disability insurance benefits other than major medical, $250,000 in present value of annuity benefits, or $300,000 in life insurance death benefits.

However, in no event will the Association be obligated to cover more than $300,000 in the aggregate for all benefits for any one life, except for major medical benefits which are subject to a limit of $500,000 for any one life.

NOTICE OF PROTECTION PROVIDED BY THE INDIANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the Indiana Life and Health Insurance Guaranty Association ("ILHIGA") and the protection it provides for policyholders. This safety net was created under Indiana law, which determines who and what is covered and the amounts of coverage.

ILHIGA was established to provide protection to policyholders in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, ILHIGA will typically arrange to continue coverage and pay claims, in accordance with Indiana law, with funding from assessments paid by other insurance companies. (For the purposes of this Notice, the terms “insurance company” and “insurer” mean and include health maintenance organizations ("HMOs").

Basic Protections Currently Provided by ILHIGA

Generally, an individual is covered by ILHIGA if the insurer was a member of ILHIGA and the individual lives in Indiana at the time the insurer is ordered into liquidation with a finding of insolvency. The coverage limits below apply only to for companies placed in rehabilitation or liquidation on or after July 1, 2018. The benefits that ILHIGA is obligated to cover are not to exceed the lesser of (a) the contractual obligations for which the member insurer is liable or would have been liable if the member insurer were not an insolvent insurer, or (b) the limits indicated below:

Life Insurance
- $300,000 in death benefits
- $100,000 in net cash surrender or net cash withdrawal values

Health Insurance
- $500,000 for health plan benefits (see definition below)
- $300,000 in disability and long term care insurance benefits
- $100,000 in other types of health insurance benefits

Annuities
- $250,000 in present value of annuity benefits (including net cash surrender and net cash withdrawal values)

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $300,000. Special rules may apply with regard to health benefit plans and covered unallocated annuities.

“Health benefit plan” is defined in IC 27-8-8-2(o), and generally includes hospital or medical expense policies, certificates, HMO subscriber contracts or certificates or other similar health contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as accident-only, credit, dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance and long-term care insurance.

The protections listed above apply only to the extent that benefits are payable under covered policy(s). In no event will ILHIGA provide benefits greater than those given in the life, annuity, or health insurance policy or contract. The statutory limits on ILHIGA coverage have changed over the years and coverage in prior years may not be the same as that set forth in this notice.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of the policy or contract that the insurer does not
guarantee, such as certain investment additions to the account value of a variable life insurance policy or variable annuity contract.

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity to which it relates.

Residents of Louisiana who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Louisiana Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through the Guaranty Association is limited. As noted in the box below, this protection is not a substitute for consumers’ care in selecting companies that are well-managed and financially stable.

DISCLAIMER

COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY. Even if coverage is provided, there are significant limits and exclusions. Coverage is always conditioned upon residence in this state. The state law that provides for this safety-net coverage is called the Louisiana Life and Health Insurance Guaranty Association Law. The following is a brief summary of this law’s coverages, exclusions, and limits. This summary does not cover all provisions of the law; nor does it in any way change any person’s rights or obligations under the Act or the rights or obligations of the Association.

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by an insurer authorized to conduct business in Louisiana. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.
EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Association, if:

(1) they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);

(2) the insurer was not authorized to do business in this state;

(3) their policy was issued by a nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Association also does not provide coverage for:

(1) any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

(2) any policy of reinsurance (unless an assumption certificate was issued);

(3) interest rate yields that exceed an average rate;

(4) dividends;

(5) credits given in connection with the administration of a policy by a group contract holder;

(6) employers’ plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);

(7) Medicare Part C benefits or Medicare Part D benefits;

(8) certain unallocated annuity contracts (which give rights to group contract holders, not individuals), and certain structured settlement annuity contracts;

(9) Other exceptions and exclusions may also be applicable depending upon the insurer, the policy itself, the policyholder or policy owner, or other factors. For more information, see the Louisiana Life and Health Guaranty Association Law, Louisiana Revised Statutes R.S. 22:2081 et seq.

LIMITS ON AMOUNTS OF COVERAGE

The act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Association will pay a maximum of $500,000 no matter how many policies and contracts there were with the same company, even if they provided different types of coverage. Within this overall $500,000 limit, the Association will not pay more than $500,000 in health insurance benefits; $250,000 in present value of annuities (including cash surrender and cash withdrawal values); or $300,000 in life insurance death benefits (but not more than $100,000 in cash surrender and cash withdrawal values) – again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverage. Other conditions, requirements or exclusions may apply.

Your insurer is required by law to provide you with this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Association for the purpose of sales, solicitation or inducement to purchase any form of insurance.
This notice provides a **brief summary** of the Montana Life and Health Insurance Guaranty Association (the Association) and the protection it provides for policyholders, effective January 1, 2020.

The Association was established under Montana Law to provide protection in the unlikely event that a life, annuity or health insurance issuer becomes financially unable to meet its obligations and is placed into liquidation. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Montana law, with funding from assessments paid by other insurance companies.

In the event a company is placed into liquidation, benefits provided by the Association are payable according to the insurance policy or certificate subject to the terms and conditions found in the Montana Life and Health Insurance Guaranty Association law, and subject to the following maximum limits:

- **Life Insurance** - $300,000 in death benefits, but limited to $100,000 in cash surrender and net cash withdrawal values

- **Health Insurance**
  - $500,000 in health insurance benefits
  - $300,000 in disability income insurance benefits
  - $300,000 in long-term care insurance benefits
  - $100,000 in other types of health insurance benefits

- **Annuities**
  - $250,000 present value, including net cash surrender and net cash withdrawal values

The maximum amount of protection is $300,000 in benefits with respect to any one life regardless of the number of policies or contracts, except with respect to the $500,000 maximum in health insurance benefits but not including disability, long term care or other types of health insurance benefits.

**Note: Other restrictions to coverage apply. Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Montana law.

Resident of this state who purchase life insurance, annuities or health insurance should know that the insurance companies and Health Maintenance Organizations (HMOs) licensed in this state are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer or HMO becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of the insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers’ care in selecting companies that are well-managed and financially stable.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law’s coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations under the act or the rights or obligations of the guaranty association.

**COVERAGE**

Generally, individuals will be protected by the life and health guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer or HMO. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

- Their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed the average rate specified in the law;
- Dividends;
- Experience or other credits given in connection with the administration of a policy by a group contractholder;
- Employers’ plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contractholders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered.
- A policy or contract commonly known as Medicare Part C, Medicare Part D, Medicaid or any regulations issued pursuant thereto.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out as follows:

1. The guaranty association cannot pay out more than the insurance company would owe under the policy or contract.
2. Except as provided in (3), (4) and (5) below, the guaranty association will pay a maximum of $300,000 per individual, per insolvency, no matter how many policies or types of policies issued by the insolvent company.
3. The guaranty association will pay a maximum of $500,000 with respect to a health benefit plan.
4. The guaranty association will pay a maximum of $1,000,000 with respect to the payee of a structured settlement annuity.

COVERAGE:

Generally, individuals will be protected by the New Hampshire Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance policy or an annuity contract, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, assignees or payees of insured persons are protected as well, even if they live in another state.

Coverage provided under the current, amended Act may be different from coverage provided prior to 1996, as coverage is determined by the governing Act in effect on the date that the Association becomes obligated.

EXCLUSIONS FROM COVERAGE:

Persons holding such policies or contracts are NOT protected by this Association if:

- they are not residents of the state of New Hampshire, except under certain very specific circumstances;
- they are eligible for protection under the laws of another state;

- dividends, experience rating credits, or fees for services in connection with an insurance policy;
- any policy or contract issued in this state by an insurer at a time when it was not licensed or authorized to do business in New Hampshire;
• any unallocated annuity contract issued to an employee benefit plan protected under the federal Pension Benefit Guaranty Corporation;

• any portion of any unallocated annuity contract which is not issued to or in connection with a specific employee, union, or association of natural persons benefit plan or a government lottery; or

• any portion of a policy or contract to the extent that the required assessments are preempted by federal or state law.

• a portion of a policy or contract to the extent it provides for interest or other changes in value to be determined by the use of an index or other external reference stated in the policy or contract, but which have not been credited to the policy or contract, or as to which the policy or contract owner’s rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier.

• a policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Part C or Part D of subchapter XVIII, chapter 7 of Title 42 of the United States Code, commonly known as Medicare Part C and D, or any regulations issued pursuant thereto.

**LIMITS ON AMOUNT OF COVERAGE:**

The Act also limits the amount the Association is obligated to pay. The Association cannot pay more than what the insurance company would owe under a policy or contract.

With respect to any one life, the Association will pay a maximum of $300,000 – no matter how many policies and contracts there were with the same company, even if they provided different types of coverages, except with respect to benefits for basic hospital, medical and surgical insurance and major medical insurance in which case the aggregate liability of the Association shall not exceed $500,000 with respect to any one individual. The limit of coverage to one owner of multiple non-group policies of life insurance is $5,000,000.

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

**COVERAGE**

Generally, individuals will be protected by the life and health insurance guaranty association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract; if they are insured under a group insurance contract, issued by a member insurer; or if they are the payee or beneficiary of a structured settlement annuity contract. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.
EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

• they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
• the insurer was not authorized to do business in this state;
• their policy was issued by a medical, health or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

• any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
• any policy of reinsurance (unless an assumption certificate was issued);
• interest rate yields that exceed an average rate;
• dividends;
• credits given in connection with the administration of a policy by a group contract holder;
• employers’ plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out: The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of $300,000, except as specified below, no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. The association will not pay more than $100,000 in cash surrender values, $500,000 in major medical insurance benefits, $300,000 in disability or long-term care insurance benefits, $100,000 in other health insurance benefits, $250,000 in present value of annuities, or $300,000 in life insurance death benefits. Again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages, the association will pay a maximum of $300,000, except for coverage involving major medical insurance benefits, for which the maximum of all coverages is $500,000.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: For unallocated annuities that fund governmental retirement plans under sections 401, 403(b) or 457 of the Internal Revenue Code, the limit is $250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than $300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of $1,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.

OK-SD (Ed. 9-10)
A resident of Rhode Island who purchases life insurance, annuities, long-term care or accident and health insurance should know that an insurance company licensed in Rhode Island to write these types of insurance is a member of the Rhode Island Life and Health Insurance Guaranty Association ("Association"). If this should happen, the Association will, within the statutory limits, pay the claims of insured persons who live in this state, and, in some cases, keep coverage in force. However, the protection provided through the Association is not unlimited. This protection is not a substitute for your care in selecting a company that is well managed and financially stable.

NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE SOUTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of South Dakota who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the South Dakota Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Guaranty Association does not provide coverage for all types of life, health, or annuity benefits, and the Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in South Dakota. You should not rely on coverage by the South Dakota Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

The state law that provides for this safety-net coverage is called the South Dakota Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law’s coverages, exclusions and limits. This summary does not cover all provisions of the law, nor does it in any way change anyone’s rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are an insured certificateholder under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state. Coverage is also provided by the Guaranty Association to persons eligible to receive payment under structured settlement annuities who are residents of this state and, under certain conditions, such persons even if they are not a resident of this state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by the Guaranty Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- claims based on marketing materials or other documents which are not approved policy forms, claims based on misrepresentations of policy benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate specified by statute;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers’ plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals);
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the insurer; or
- policies providing health care benefits for Medicare Parts C or D coverage.

LIMITS ON AMOUNT OF COVERAGE

The Guaranty Association in no event will pay more than what an insurance company would owe under a policy or contract. In addition, state law limits the amount of benefits the guaranty association will pay for any one insured life, and no matter how many policies or contracts there are with the same company, as follows: (i) for life insurance, not more than $300,000 in death benefits and not more than $100,000 in net cash surrender and net cash withdrawal values; (ii) for health insurance, not more than $500,000 for basic hospital, medical and surgical insurance, not more than $300,000 for disability insurance and long term care insurance, and not more than $100,000 for other types of health insurance; and (iii) for annuities, not more than $250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values. However, in no event will the Guaranty Association be obligated to cover more than an aggregate of $300,000 in benefits with respect to any one life except with respect to benefits for basic hospital, medical and surgical insurance, for which the aggregate liability of the guaranty association may not exceed $500,000. NOTICE CONCERNING COVERAGE UNDER
THE TENNESSEE LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Insurance companies and health maintenance organizations (HMOs) licensed in this state to write life insurance, annuities or health insurance are members of the Tennessee Life and Health Insurance Guaranty Association. The purpose of this association is to provide a safety-net of coverage, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in the state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The state law that provides for this safety-net coverage is called the Tennessee Life and Health Insurance Guaranty Association Act. The following is a brief summary of this law’s coverages, exclusions and limits. This summary does not cover all provisions of the law or describe all of the conditions and limitations relating to coverage. This summary does not in any way change anyone’s rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, HMO contract, or an annuity, or if they are insured under a group insurance contract issued by an insurer authorized to conduct business in Tennessee. Health insurance includes disability and long term care policies. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Guaranty Association if:

(1) they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insured who live outside that state);

(2) the insurer was not authorized to do business in this state;

(3) their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does not provide coverage for:

(1) any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

(2) any policy of reinsurance (unless an assumption certificate was issued);

(3) interest rate yields that exceed an average rate;

(4) dividends;
(5) credits given in connection with the administration of a policy by a group contractholder;
(6) employers’ plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
(7) unallocated annuity contracts (which give rights to the group contractholder, not individuals).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Guaranty Association is obligated to pay out. The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. For any one insured life, the Guaranty Association guarantees payments up to a stated maximum no matter how many policies and contracts there were with the same company, even if they provided different types of coverage. These aggregate limits per life are as follows:

- $300,000 for policies and contracts of all types, except as described in the next point
- $500,000 for basic hospital, medical and surgical insurance and major medical insurance issued by companies that become insolvent after January 1, 2010

Within these overall limits, the Guaranty Association cannot guarantee payment of benefit greater than the following:

- health insurance benefits for companies declared insolvent before January 1, 2010 - $100,000

  - $300,000 for disability and long term care insurance
  - $500,000 for basic hospital, medical and surgical insurance or major medical insurance

NOTE

The Tennessee Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Tennessee. You should not rely on coverage by the Tennessee Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is not provided for your policy or any portion of it that is not guaranteed by the Insurer for which you have assumed the risk, such as a variable contract sold by prospectus.

  - $100,000 in cash surrender or withdrawal values

- **Health Insurance**
  - $500,000 for health benefit plans
  - $300,000 in disability income insurance benefits

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. PREFACE

This brochure briefly describes the coverage provided through the Washington Life & Disability Insurance Guaranty Association ("Association").

The Association is a nonprofit unincorporated legal entity created by the Washington Life and Disability Insurance Guaranty Association Act, Chapter 48.32A RCW ("Act"). Every life and disability insurance company authorized to do business in Washington is a member of the Association. A Board of Directors ("Board"), composed of representatives from member insurers, and the Insurance Commissioner, ex officio, oversee the operation of the Association.

The expenses of the Association are paid by assessments made against each member insurer. Persons covered by the Act are not charged for the expenses of the Association or the protection provided under the Act.

Coverage is provided for certain life and disability insurance. However, the Association does not cover all such insurance. Coverage that is provided is subject to the limitations and exclusions provided by the Act.

The purpose of this brochure is to help you understand the general nature and the conditions of the protection provided under the Act. It is only a summary, however, and if you have specific questions that are not discussed here you may contact either the Association or the Office of the Insurance Commissioner.

QUESTIONS AND ANSWERS

1. WHAT INSURANCE POLICIES ARE COVERED UNDER THE ACT?

The Act applies to life insurance policies, disability insurance policies, and annuity contracts issued by an insurance company authorized to do business in Washington. The term "disability insurance," as used in the Act, includes not only disability income insurance, but also policies commonly referred to as "health insurance." Together, all of these policies and contracts are sometimes referred to as "covered policies," a term used in this brochure.

2. ARE THERE POLICIES OR INSURERS NOT COVERED BY THE ACT?

The Act specifically excludes certain types of policies or portions of policies, including, but not limited to: The portion of a policy not guaranteed by the insurer; the portion of a policy to the extent the interest rate or crediting rate exceeds the limits in the Act; policies of reinsurance, unless assumption certificates have been issued; policies issued in Washington by an insurer at a time when the insurer was not licensed or did not have a certificate of authority; policies issued to a self-insured plan or program; certain unallocated employee benefit plan annuities protected by federal law; and unallocated annuity contracts not issued to or in connection with a benefit plan or a government lottery.
The Act also does not apply to policies or contracts issued by health care service contractors, health maintenance organizations, fraternal benefit societies, self funded multiple employer welfare arrangements, mandatory state pooling plans, mutual assessment companies, insurance exchanges, or an organization that has a certificate or license limited to issuance of certain charitable gift annuities.

3. WHO IS PROTECTED UNDER THE ACT?

You are covered by the Act if you are an owner of or certificate holder under a policy or contract (other than an unallocated annuity contract or structured settlement annuity), and:

- You are a Washington resident; or
- You are not a Washington resident, but only if: the insurer is domiciled in Washington; there is an association similar to the Washington Association in your state of residency; and you are not covered in your state of residency, because the insurer was not licensed in that state; or
- You are a beneficiary, assignee, or payee of one of the above, regardless of where you reside (except for nonresident certificate holders under group policies).

Owners of unallocated annuity contracts are covered if the contract was issued to or in connection with a specific benefit plan whose plan sponsor has its principal place of business in Washington, or the contract was issued to or in connection with a government lottery and the owner is a Washington resident.

A payee under a structured settlement annuity (or beneficiary of a deceased payee) is also covered, if the payee is a Washington resident, or the payee is not a Washington resident, but the contract owner is a resident; or the insurer that issued the annuity is domiciled in Washington and coverage is not available in the state in which the payee resides.

Residency is generally determined at the time of entry of an order of liquidation against the insurer. If you move to another state and reside there when such an order is entered, you may still have protection under the law of that state. You should contact the insurance department in your new state of residence to find out about guaranty act protection there.

4. HOW DOES THE ASSOCIATION PROTECT COVERED PERSONS AGAINST LOSS?

After an order of liquidation is entered against a company, the Association begins its work of carrying out the purpose of the Act, which is to assure the performance of insurance obligations of that company. The Association is authorized to carry out its duties by working with insurance companies in good standing to assume or take over the covered policies. The association may also directly provide benefits and coverage as authorized by the Act. The Association has the authority to collect the funds necessary to provide protection to covered persons against losses on their covered policies.

5. WHERE DOES THE ASSOCIATION GET THE MONEY TO PROVIDE THIS PROTECTION?

The Association is authorized to collect money from all life and disability insurance companies doing business in Washington. The funds collected from an assessment are used to pay claims to covered persons and/or to fund the assumption of covered policies by another insurer.
6. DOES THE ASSOCIATION PAY OUT THE MONEY IT COLLECTS RIGHT AWAY OR DO COVERED PERSONS HAVE TO WAIT?

The Association generally cannot make an assessment for covered policies issued by a company until after an order of liquidation has been entered against the company, and a reasonable estimate can be made of the amount of money needed. Insurance companies receiving an assessment notice must make their payments within thirty days.

Because it takes time for an action to be commenced against a financially impaired insurer, for a Court to issue an order, and for funds to be collected to satisfy the obligations of that insurer, some delay, hopefully short, is unavoidable before payments can be made. Although it is impossible to predict how long this process will take in any given case, an average time period of twelve to eighteen months is not unusual.

When necessary, the Association may borrow money to make payments more promptly, particularly in cases that will take an unusual amount of time to be resolved.

7. WHAT IS THE AMOUNT OF PROTECTION PROVIDED BY THE ACT?

The Act provides the following maximum amounts of protection:

- Life Insurance Death Benefits ............................................................ $500,000
- Disability Benefits ............................................................................... $500,000
- Present Value of Individual Annuities................................................. $500,000
- Unallocated Annuity Contracts, other than certain government retirement plans (limit is per contract owner or plan sponsor) .............................................. $5,000,000
- Government Retirement Plans established under Internal Revenue Code §§ 401, 403(b), or 457 (limit is per participant) ................................................. $100,000

This protection becomes effective at the time of entry of a Court order of liquidation against the insurer. Of course, if the amount owed under the contract or policy is less than the maximum benefit under the Act, the covered person will be entitled to protection only up to the actual amount owed.

Furthermore, the maximum protection available to each covered person remains the same, regardless of the number of contracts through which he or she has a claim.

8. IF A HUSBAND AND WIFE EACH INDIVIDUALLY OWN A COVERED POLICY, IS THE PROTECTION UNDER THE ACT PROVIDED TO EACH OF THEM?

Yes. As long as the residency requirements are met, both would be entitled to the protection provided by the Act, up to the maximum amount.

9. WHY DOESN’T MY INSURANCE COMPANY ADVERTISE THE FACT THAT ITS POLICIES AND CONTRACTS ARE PROTECTED UNDER THE ACT?

Under Washington law, insurance companies are prohibited from advertising that their policies or contracts may be covered under the Act.
You should not rely on coverage under the Act when selecting an insurance company.

10. WHY HASN'T MY AGENT TOLD ME ABOUT THE GUARANTY ACT?

Your insurance agent is subject to the same prohibitions as your insurance company. As a representative of the company, an agent must exercise great care when soliciting business and consequently, will generally not discuss the subject of a guaranty act with clients.

11. WHO SHOULD I CONTACT IF I BELIEVE THERE HAS BEEN A VIOLATION OF THE ACT?

You should contact the Association if you believe your rights have been violated under the Act. If you are dissatisfied with the actions of the Association, you may also contact the Office of the Insurance Commissioner.

CONCLUSION

This brochure has been prepared by the Washington Life and Disability Insurance Guaranty Association. Its purpose is to inform the public in a general way of the protections that are available in this state on insurance policies and annuity contracts issued by companies authorized to do business in Washington. The Association does not, by this brochure, endorse any company or its products, but rather seeks to address some of the concerns that you may have regarding the security of insurance policies and annuity contracts.

For more information or answers to specific questions you may contact the Washington Life and Disability Insurance Guaranty Association or the Office of the Insurance Commissioner, whose addresses and telephone numbers are shown in the Preface.

SUMMARY OF THE WEST VIRGINIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT
(Effective July 1, 2019)

Residents of West Virginia who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the West Virginia Life and Health Insurance Guaranty Association. The purpose of this Association is to assure that policy and contract owners, certificate holders and enrollees of covered policies and contracts will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurers for the money to pay the claims of covered persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these member insurers through the Guaranty Association is not unlimited, however, and, as noted in the box below, this protection is not a substitute for consumers’ care in selecting companies that are well-managed and financially stable.

The West Virginia Life and Health Insurance Guaranty Association may not provide coverage for this policy or contract. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in West Virginia. You should not rely on coverage by the West Virginia Life and Health Insurance Guaranty Association in selecting an insurance company or health maintenance organization or in selecting an insurance policy or contract. For a complete description of coverage, consult Article 26A, Chapter 33 of the West Virginia Code.

Coverage is NOT provided for any portion OF YOUR CONTRACT that is not guaranteed by the insurer or for which you have assumed the risk.

Insurance companies and health maintenance organizations or their agents are required by law to give or send you this notice.

However, insurance companies, health maintenance organizations and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy or health maintenance organization coverage.

The Guaranty Association or the West Virginia Insurance Commission will respond to questions you may have which are not answered by this document. Policyholders with additional questions may contact:

The state law that provides for this safety-net coverage is called the West Virginia Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

WV-SD (Ed. 7-19)
COVERAGE

Generally, individuals will be protected by the West Virginia Life and Health Insurance Guaranty Association if they live in West Virginia and hold a life, health or annuity policy, plan or contract, or if they are insured under a group life, health or annuity policy, plan or contract, issued by a member insurer. Member insurer also includes non-profit service corporations (W. Va. Code § 33-24), health care corporations (W. Va. Code § 33-25) and health maintenance organizations (W. Va. Code § 33-25A). The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies, plans or contracts are not protected by this Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent member insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The member insurer was not authorized to do business in this state;
- The policy, plan or contract was issued at a time when the member insurer was not licensed or authorized to do business in the state;
- Their policy, plan or contract was issued by a fraternal benefit society, mandatory state pooling plan, a mutual protective association or similar plan in which the policy, plan or contract holder is subject to future assessments, an insurance exchange, an organization that has a certificate or license limited to the issuance of charitable gift annuities or any entity similar to the above.

The Guaranty Association also does not provide coverage for:

- Any policy, plan or contract, or portion of a policy, plan or contract that is not guaranteed by the member insurer or for which the individual or contract holder has assumed the risk;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends;
- Credits given in connection with the administration of a policy, plan or contract by a group contractholder;
- Employer or association plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured, including:
  - multiple employer welfare arrangement;
  - minimum premium group insurance plan;
  - stop loss group insurance plan; or
  - administrative services only contract.

WV-SD (Ed. 7-19)
Any unallocated annuity contract issued to or in connection with a benefit plan protected under the federal pension guaranty corporation;

Any portion of any unallocated contract that is not issued to or in connection with a specific employee, union or association's benefit plan or a governmental lottery;

Any policy, plan or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Medicare Part C and D or Medicaid;

An obligation that does not arise under the written terms of the policy, plan or contract, including claims based on marketing materials; claims based on side letters or riders not approved by the Commissioner; misrepresentations regarding policy benefits; extra contractual claims or claims for penalties or consequential or incidental damages;

A contractual agreement that establishes the member insurer's obligation to provide a book value guaranty for defined contribution benefit plan participants by reference to a portfolio of assets that is owned by the benefit plan or trustee, which is not an affiliate of the insurer;

Structured settlement annuity benefits, the rights to which have been transferred by the payee or beneficiary in a structured settlement factoring transaction.

**LIMITS ON AMOUNT OF COVERAGE**

The act also limits the amount the Guaranty Association is obligated to pay out. The Guaranty Association cannot pay more than what the member insurer would owe under a policy, plan or contract. Also, for any one insured life, regardless of the number of policies, plans or contracts, the Guaranty Association will only pay:

- $300,000 in life insurance benefits, but no more than $100,000 in net cash surrender and net cash withdrawal values;
- $300,000 for disability insurance;
- $300,000 for long term care insurance;
- $250,000 in the present value annuity benefits, including net cash surrender and net cash withdrawal values;
- $500,000 for health benefit plans (W. Va. Code §33-26A-5(10)), and;
- $100,000 for all other types of accident and sickness insurance coverages not defined as disability income insurance, long term care insurance, or health benefit plans.

Also for any one insured life, the Guaranty Association will only pay a maximum of $300,000 - no matter how many policies and contracts there were with the same company – for all policies or contracts other than health benefit plans, in which case the aggregate limit shall not exceed $500,000 with respect to any one individual.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the Act: for unallocated annuities that fund governmental retirement plans under §§ 401(k), 403(b) or 457 of the Internal Revenue Code, the limit is $250,000 in the present value of annuity benefits including net
cash surrender and net cash withdrawal values, per participating individual. In no event shall the Guaranty Association be liable to spend more than $300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of $5,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
NOTICE OF PROTECTION PROVIDED BY
WYOMING LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the Wyoming Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Wyoming law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company or health maintenance organization becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Wyoming law, with funding from assessments paid by other insurance companies and health maintenance organizations.

The basic protections provided by the Association are:

- Life Insurance
  - $300,000 in death benefits
  - $100,000 in cash surrender or withdrawal values

- Health Insurance
  - $300,000 in health benefit plans
  - $300,000 in disability insurance benefits
  - $300,000 in disability income insurance
  - $300,000 in long-term care insurance benefits
  - $100,000 in other types of health insurance benefits

- Annuities
  - $250,000 in present value of benefits including net withdrawal and net cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer or health maintenance organization does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Wyoming law.

EXCLUSIONS FROM COVERAGE

Policy owners, contract owners, policy holders, certificate holders and enrollees are not protected by this Association if:
they are eligible for protection under the laws of another state (this may occur when the insolvent insurer or health maintenance organization was incorporated in another state whose guaranty association protects insureds who live outside that state);

- the insurer or health maintenance organization was not authorized to do business in this state;

- their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a stipulated premium insurance company, a local mutual burial association, a mutual assessment company, or similar plan in which the policy-holder is subject to future assessments, by an insurance exchange, or by an entity similar to those listed here.

The Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or health maintenance organization or for which the individual has assumed the risk, such as a variable contract sold by prospectus, claims based on side letters or other documents, or misrepresentations of or regarding policy benefits;

- any policy of reinsurance (unless an assumption certificate was issued pursuant to the reinsurance policy of contract);

- interest rate yields that exceed an average rate or interest earned on an equity indexed policy;

- dividends;

- experience rating credits given in connection with the administration of a policy to a group contract holder;

- annuity contracts issued by a nonprofit insurance company exclusively for the benefit of nonprofit educational institutions and their employees;

- unallocated annuity contracts (which give rights to group contract holders, not individuals);

- any plan or program of an employer or association that provides life, health or annuity benefits to its employees or members to the extent the plan is self-funded or uninsured;

- an obligation that does not arise under the express written terms of the policy or contract;

- any policy providing benefits under Medicare Part C, Medicare Part D or Medicaid;

- rights to receive payments acquired through a structured settlement factoring transaction.
