Help Protect the Ones You Love

Life is full of pleasant surprises and, at the same time, life holds many uncertainties. It's easier to plan for happy events you know will occur, such as buying a home, paying for a wedding, or saving for college tuition costs. It's more difficult to plan for the unexpected—a serious accident or death.

For these times, it's important that you have enough life insurance coverage for you and your family. Your current life insurance plans may not offer enough protection.

Together with your employer, The Prudential Insurance Company of America offers you the opportunity to purchase additional term life insurance, which can help further safeguard your earnings and cover your financial obligations in the event of your death.

Our voluntary group term life plans offer:

- ✓ Choice of Coverage—You have the opportunity to obtain additional life insurance protection and to choose the level of coverage that's right for you.
- ✓ Guaranteed Coverage—You can obtain coverage under most of our plans without providing any medical information when you enroll within a specified period.
- ✓ Economical Group Rates—Our plan is available to you at group rates, which are competitive with individual rates.
- ✓ Convenient Payroll Deduction—Your premium contributions are deducted from your paycheck, so there's no check writing or mail delays.
- ✓ Coverage Conversion—If your employment ends, your coverage may be converted to an individual life insurance policy issued by The Prudential Insurance Company of America.
- ✓ Peace of Mind—Having a plan for the unexpected can give both you and your family peace of mind.

Please review the information in this kit so you can make an informed decision about participating in this program.

Accelerated Death Benefit option is a feature that is made available to group life insurance participants. It is not a health, nursing home, or long-term care insurance benefit and is not designed to eliminate the need for those types of insurance coverage. The death benefit is reduced by the amount of the accelerated death benefit paid. There is no administrative fee to accelerate benefits. Receipt of accelerated death benefits may affect eligibility for public assistance and may be taxable. The federal income tax treatment of payments made under this rider depends upon whether the insured is the recipient of the benefits and is considered "terminally ill". You may wish to seek professional tax advice before exercising this option.
