| Important Questions | Answers | Why This Matters: |
|---|--|--|
| What is the overall deductible ? | The overall medical deductible : For In-Network Providers: \$400 (1 member), \$800 (2 members), \$1,200 (3 or more members); for Out-of-Network Providers: \$2,000 (1 member), \$4,000 (2 members), \$6,000 (3 or more members) | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible . |
| Are there services covered before you meet your deductible ? | Yes. Many In-Network Medical Services, including physician office services, are not subject to the deductible . | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You do not have to meet deductibles for specific services. |
| What is the out-of-pocket limit for this plan ? | For In-Network Providers: \$3,500 (1 member); \$6,000 (2 members); \$8,500 (3 or more members). For Out-of-Network Providers: No Out-of-Pocket Maximum limits | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| What is not included in the out-of-pocket limit ? | Copayments and coinsurance on certain services, premiums , balance-billing charges, cost sharing for out-of-network, and health care this plan does not cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider ? | Yes. Visit www.VantageHealthPlan.com and click "Find a Provider" or call 1-844-536-7104 for a list of network providers. | This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist ? | No, if you use a provider in the plan's network . | You can see the In-Network specialist you choose without a referral . |
