

RETIREE 100

Retired members in the Magnolia Open Access plan who have Medicare Part A and Part B as their primary insurer are eligible to participate in the Retiree 100 program. This program serves as additional coverage for members who have extensive hospital bills and/or large amounts of physician charges due to a serious illness, accident or long-term chronic condition.

You are eligible to enroll in Retiree 100 if:

- You are a retired state employee
- You are a member of the Magnolia Open Access plan
- Medicare is your primary insurer (You have both Medicare Part A and Part B)

You can also enroll your spouse if:

- You currently cover your spouse as a dependent
- Medicare is your spouse's primary health insurer (Your spouse has both Medicare Part A and Part B)

Not All Expenses Are Eligible

Retiree 100 coordinates only those expenses considered eligible for reimbursement by both Medicare and the Magnolia Open Access plan.

- **Expenses not eligible for consideration include:**
 - **Benefits assigned** - when a provider agrees to accept what Medicare allows as full payment. (OGB does not pay for any portion of a bill in excess of the Medicare allowable amount.)
 - **Prescription drugs**

Premiums

The monthly premium for Retiree 100 is \$81.00 per person **in addition** to your monthly OGB premium.

There is no state contribution toward the premium amount; you must pay the entire cost for Retiree 100 coverage.

Enrollment

If you are already retired, you can enroll during the annual enrollment period held each year. Also, you can enroll within 30 days after the date you first became eligible for Medicare (Parts A and B). Coverage becomes effective on the first day of the month you became eligible for Medicare.
